Resolution.—Approved.

II. Read General and Revenue Secretary's letter No. 5369—L. B. 191-11-2, dated 5th February 1912, calling for the transmission of the copies of the resolutions of the District

and Taluk Boards regarding the proposal to equalise the pay of the sweepers in the Kadagathur and Kodigenahalli Unions.

Resolved that the resolution passed in the Board's meeting of the 22nd December 1911 on the subject be adopted and that the Taluk Board's resolution in the matter be called for.

III. Read Tumkur Division Executive Engineer's letter No. 13, dated the 8th January 1912, stating that the provision of Rs. 1,000 made in the current year's District Fund budget on account of constructing a bridge for the stream in the 43rd mile of Magadi-Huliyurdurga road may be made available for the improvement of 3rd class travellers' bungalows in the district, as the proposed construction of the bridge amounts to a heavy cost of about Rs. 8,000 and (2) Executive Engineer's letter, Camp No. 10, dated 7th February 1912, forwarding two estimates amounting to Rs. 890 for flooring the 3rd class travellers' bungalows at Kallembella and Nelhal and proposing that the sum of Rs. 1,000 referred to above may be appropriated towards these works.

Resolution.—Approved. The construction of the bridge may lie over till funds become available.

IV. Read Tumkur Division Executive Engineer's letter No. 70, dated the 24th January 1912, forwarding an estimate for Rs. 909 for constructing a tunnel at $\frac{5}{6}$th mile of Koratagere-Bychapura road.

Resolution.—Approved.

V. Read file of Vernacular correspondence ending with the Maddagiri Sub-Division Officer's yadi No. 562, dated 8th December 1911, forwarding copy of the Sira Taluk Board's resolution proposing that a site in the Bukkapatna Union may be given free of cost for the purpose of constructing a Boys' School there.

Resolution.—The site may be given free of cost for the purposes of the school.

VI. Read (1) draft District Fund budget estimates of the District Board for 1912-13 as prepared by the Finance Committee and (2) District Medical and Sanitary Officer's docket No. 1236, dated 4th February 1912, proposing that the pay of the water women in Local Fund Dispensaries may be raised from Rs. 2 to Rs. 3 as was done by the Kadur District Board.

Resolution.—The estimates as revised may be submitted to Government for sanction. As the present mileage allotment of Rs. 50 for the annual repairs of the cart-track from Tiptur to Kodagihalli was stated to be quite inadequate for the satisfactory maintenance of the cart-track, the Board, in their meeting held on the 23rd September 1910, resolved that the mileage allotment may be raised to Rs. 75. But for want of funds the provision therefor was not made in the current year's budget estimates. As it has been urged by the Executive Engineer that the mileage allotment of the cart-track may be raised to Rs. 75, a provision may be made therefor in the budget estimates for 1912-13 in anticipation of sanction of Government. The District Medical and Sanitary Officer's proposal to raise the pay of the water women to Rs. 3 involves an additional cost of Rs. 108 per annum and the same may be similarly provided in the next year's budget.

VII. Read and passed the Local Fund General budget estimates for 1912-13.

VIII. Read and passed the Irrigation Cess Fund budget estimates for 1912-13.

IX. Read and passed the list of works sanctioned out of District Funds during the months of January and February 1912.

X. Read (1) Maddagiri Sub-Division Officer's yadi No. 78, dated 27th January 1912, forwarding for sanction an estimate for Rs. 38 for improving the well in Lingapura village, Koratagere Sub-Taluk.

(2) Maddagiri Taluk Amildar's report No. 192, dated 2nd February 1912, forwarding for sanction an estimate for Rs. 80 for improving the well at Kadagathur village, Maddagiri Taluk.

Resolved that both the well works may be sanctioned out of the current year's Local Fund General grant and that sanction of Government be obtained therefor.

XI. Read list of estimates for works received from the Executive Engineer and countersigned by the President.

Resolution.—Passed.

XII. *Resolved* that the next meeting of the Board be held on the 18th of April 1912 at 3 P.M.

M. SHAMA RAO,
President.
